

Virgin Gorda's New Luxury Villa Enclave Makes Condé Nast Traveler's "Hot List"

April 29, 2008, Virgin Gorda, British Virgin Islands - [Aquamare](#) was selected by *Condé Nast Traveler* in its twelfth annual May "Hot List" issue. The annual "Hot List" issue is the insider's guide to the newest, hottest, sexiest hotels, restaurants, spas, and nightclubs opened all over the world in the past year. To develop the list, the magazine's editors checked out hundreds of new properties around the globe, rigorously evaluating each one on a standard set of criteria, including design, service, and amenities that transcend industry standards. The result is a definitive guide to the world's most exciting new establishments destined to become instant classics.

Aquamare was cited by *Condé Nast Traveler* as a new property that "melds the best aspects of a villa rental and a posh hotel." It was the only new property in the British Virgin Islands, and just one of four in the Caribbean and Atlantic, to be included on the exclusive list.

"We are honored to be acknowledged by an opinion leader like *Condé Nast Traveler* and to be singled out as one of the first luxury villa enclaves to combine the services and amenities of a five-star hotel with the privacy and exclusivity of a private home stay," said Guillermo Paz, co-owner of Aquamare.

Aquamare opened the doors to its three expansive, 5-bedroom, private villas to guests in March 2008. Unlike most villa rentals, which were designed as traditional homes for use by one family unit, Aquamare was intentionally created for larger, multi-use gatherings, with exceptionally spacious common areas and fully equipped cook's kitchens. Each villa has three large Master Bedroom Suites with sitting areas, private balconies overlooking the beach and large outdoor shower rooms with pebbled floors and 12-inch diameter Newport Brass Rain Shower™ heads en suite as well as a Double Suite and Junior Suite. Guests at Aquamare are pampered by an on-site concierge, a private chef, beach attendants, daily housekeeping, nightly turn down service and Bulgari bath amenities.

Aquamare, set on the scenic Western coast of Virgin Gorda at Mahoe Bay along half a mile of pristine beach frontage, consists of three 8,000 square-foot private villas. Designed and constructed specifically as elite villa vacation homes, with multiple ensuite master bedrooms, spacious living areas and professional-grade kitchens, Aquamare is the new benchmark for luxury villa rentals on one of the B.V.I's quietest and most exclusive islands. Rates range from \$15,125 to \$30,800 per week. For reservations contact Aquamare at 787-461-2638. For more information, go to www.VillaAquamare.com.
