

***Aquamare: Redefining the Villa Experience***  
***Combining the Services of a Five-star Hotel with the Exclusivity of a Private Home Rental***

August 13, 2008, Virgin Gorda, British Virgin Islands – [Aquamare](#), the first villa enclave to combine the services and amenities of a five-star hotel with the exclusivity of a private home stay, had its grand debut in March. Now, with the spring unveiling of its third villa, Aquamare continues to distinguish itself, with rapidly accruing accolades, praise from the media and a prime spot in *Condé Nast Traveler's* "Hot List" issue. Set along half a mile of pristine beach frontage at Mahoe Bay, Aquamare has welcomed families, intimate wedding parties and celebrities seeking a private refuge. They have all discovered the exceptional attributes of Aquamare that set it apart from other villas currently available in the Caribbean.

Standout features include:

- ***Spacious Living Spaces, Shared and Private*** - Unlike most villa rentals, which were designed as traditional homes for use by one family unit, Aquamare was intentionally created for larger gatherings. Each of the three 8,000 square-foot Villas feature exceptionally spacious common areas, open kitchens and three Master Bedroom Suites, each equipped with sitting areas, balconies overlooking the beach and spacious outdoor shower rooms. The interiors are furnished with comfortable yet elegant communal sitting areas, as well as a formal dining room. The Villas offer a dramatic sense of space, as the living areas flow seamlessly onto the marble pool terrace, which are just a few stone steps away from the private white coral sandy beach that overlooks the Francis Drake Channel.
- ***In-Villa Spa Services, Bathrooms with Outside Showers*** - The Aquamare Villas were designed to accommodate spa treatments in the privacy and comfort of the guest rooms, which serve a double function as spa suite retreats. Guests have the freedom to choose where they would like their treatments, be it in the Master Suite, on the private balcony, or a water-based treatment in the outdoor shower room that has unobstructed views of the Francis Drake Channel. The spacious 9- by-12-foot, pebbled floor shower room double-functions as a treatment room, offering guests truly unique experiences, such as a coconut scrub on a massage table followed

by a shower with the 12-inch diameter Newport Brass Rain Shower™ heads hanging directly above. The intentionally extra large bathrooms in the three Master Suites also feature double sinks, a deep soaking tub and Bulgari amenities.

- **Private Chef Service, Professional-grade Kitchens** - Private Chefs can be arranged for the duration of a guest's stay or for special occasions. All three of Aquamare's Chefs have a diverse culinary repertoire. On evenings when local fisherman come to the nearby dock, guests and the Chef can go to the fisherman to select the fresh catch of the day, including lobster, to be prepared for that evening's meal. Aquamare's gourmet kitchens include stainless steel appliances, with double refrigerators, a 36-bottle wine refrigerator, All-Clad cookware, Rosenthal china and granite counters.

- **Private Beach and Dream Bed** - Aquamare features a private white coral sand beach area located adjacent to the Villas. Slightly raised for better water views, and set back from the shoreline, the beach is ideal for kids, and as the setting for an informal barefoot wedding of up to 40 guests. It's a prime location for a sunset cocktail party, or simply as an alternative spot to escape with a book. The area has lounge chairs and is constantly attended by Aquamare staff who provides chilled towels, water and other comforts. It also features Aquamare's signature "Dream Bed," a king-size daybed suspended over the sand, perfect for naps or lazing à deux. Yoga and Pilate lessons can also be arranged at the beach. Snorkeling equipment is also provided for guests to explore the rich coral reefs located right off the shoreline.
- **On-Site Concierge, Daily Housekeeping** - An on-site concierge, a great rarity amongst villa rentals, is available to arrange a picnic on the beach, a spa service beside the private infinity pool or a helicopter tour of the British Virgin Islands. Guests at Aquamare are also pampered by daily housekeeping, nightly turn-down and laundry services.

*Aquamare, set on the scenic Western coast of Virgin Gorda at Mahoe Bay along half a mile of pristine beach frontage, consists of three 8,000 square-foot private villas. Designed and constructed specifically as elite villa vacation homes, with multiple ensuite master bedrooms, spacious living areas and professional-grade kitchens, Aquamare is the new benchmark for luxury villa rentals on one of the B.V.I.'s quietest and most exclusive islands. Rates range from \$15,252 to \$30,800 per week. For reservations or more information, visit [www.villaaquamare.com](http://www.villaaquamare.com) or call (787)-461-2638.*
